

## **Collaborative ABA Services, LLC Announces Partnership with Communicate with Me, Speech Therapy, LLC**

**MIDDLETOWN, Conn. - June 23, 2025 - [PRLog](#)** -- Collaborative ABA Services, LLC is proud to announce a new partnership with fellow Connecticut business, Communicate with Me, Speech Therapy, LLC, further strengthening their commitment to providing high-quality, comprehensive care for children and adolescents with developmental needs.

This collaboration is backed by a clear purpose: to provide speech therapy services for children and adolescents aged 2-18 who require support in developing their communication abilities. With a nationwide shortage of qualified speech-language providers, many families struggle to access timely, effective care. Through this partnership, Collaborative ABA Services, LLC, aims to bridge the gap for the families they serve.

"We believe that meaningful, community-based partnerships are integral to the support we can offer our clients," said Alisha Simpson-Watt, LCSW, BCBA, LBA, Executive Clinical Director and founder of Collaborative ABA Services, LLC. "The goals we share with Communicate with Me will allow us to increase access to care in the area and put the needs of families first."

Together, both organizations share a set of impactful goals:

- **Increase Access:** Provide speech therapy services to identified individuals in need of treatment.
- **Improve Communication Outcomes:** Achieve measurable improvements in speech clarity, language comprehension, and/or social communication for at least 50% of clients upon completion of therapy.
- **Enhance Community Impact:** Raise awareness about the benefits of speech therapy and empower individuals facing speech or language challenges to seek assistance.

Founded and led by Kayla Thurston, M.S., CCC-SLP, Communicate with Me's mission is to enhance communication in all forms across the lifespan. Their team brings a wealth of clinical expertise to this partnership.

"We are proud to be partnering with Collaborative ABA Services and are excited to join forces to provide the community with the services they need while building long lasting relationships to support families and children." shared Thurston.

By aligning their missions, both Collaborative ABA Services, LLC and Communicate with Me are poised to make a lasting impact on the families they serve today and into the future.

### **About Collaborative ABA Services, LLC**
